Common Ground Community

**Following Jesus Christ's example,
Common Ground Community, Inc. is
committed to building community
through compassionate outreach, genuine care
and acceptance of all people.**

About Common Ground

Common Ground is a group of believers that have come together to strive be the body of Christ . Our mission targets the most basic of human needs – compassion, care, concern and acceptance.

While providing a hot meal, food bags, clothing and afterschool activities, members of Common Ground form relationships with Cedar Grove residents and share part of themselves with the community. This, they believe, is the element of their program which will truly change lives.

Recently, the old Faith United Methodist Church was donated to Common Ground. As result of grants from local foundations and an outpouring of volunteer labor and donations, Phase I of the renovations is now complete, and Common Ground's growing ministries have a new base of operations.

We are a 501 (3)(c) non-profit organization and rely on private gifts and grants to sustain our programs and facility. Other than part-time summer interns, there are no paid employees of Common Ground and it is solely run by volunteers.
